Pennsylvania Medical Society's Spring Practice Manager Meetings

The challenge: Keeping up with MACRA, MIPS, and important updates affecting your practice is no easy task. It seems like things are constantly changing, and physician practices say they don't have time to keep up with it all.

The solution: The Pennsylvania Medical Society's (PAMED's) popular spring practice manager meetings give you the expert advice and help you need.

The Final Rule on MACRA

Plus
Live
Webcast*

Don't miss our spring meetings for:

- ✓ A closer look at MACRA so you can ensure your practice is on track to earn an incentive payment in 2019 for this year's performance in MIPS and MACRA and avoid a four percent penalty
- ✓ Regulatory, legislative, and payer updates

Register online at www.pamedsoc.org/managermeeting

* Live webcast is also available; call-in information will be provided prior to the meeting.

These meetings are available exclusively to PAMED members as a free member benefit.
